SCOPE OF WORK

- Under the guidelines of the Texas School Law, any item(s) or services purchased with regards to a total aggregate in any given category over \$50,000 will be competitively bid. Angleton ISD is seeking to establish a contract for the purchase of vehicles. The initial term of the contract will be for one (1) year beginning the date the RFP is awarded by the board, with the option to renew for two additional one (1) year terms if all parties are in agreement with contract pricing. It is anticipated the contract will be for a total of three (3) years. Angleton ISD reserves the right to award one or more contracts, in part or in whole, to single or to multiple prospective vendors. The decisions to award multiple contracts, award only one contract, or to make no awards rests solely with Angleton ISD.
- Providing Angleton ISD has the funds available, both parties agree to the service and renewal conditions, and no increases are incurred except for the growth of the district. The district reserves the right to reject any or all proposals and to accept any proposal, which appears in its best interest.
- In addition, all contracted service providers shall be required to comply with Texas Education Code Section 22.083, Access to Criminal History Records of Employees by Local and Regional Education. This requires that all contractors who come in contact with students shall be fingerprinted and the person's national criminal history record information researched to determine the individual's criminal history. The cost for such background check and fingerprinting shall be the responsibility of the contractor. Additional information in regards to the process of the Fast Pass can be found on the Angleton ISD website under Contractor/Consultant Proposal.

House Bill 1295

As of January 1, 2016, a new state policy was implemented that affects all proposals which are awarded by our Board of Trustees. HB1295 basically states the following...

House Bill 1295 amended the Texas Government Code by adding Section 2252.908, the Disclosure of Interested Parties. Under this Section 2252.908, (Angleton ISD) is prohibited from entering into a contract resulting from an RFP with a business entity unless the business entity submits a Disclosure of Interested Parties (Form 1295) to the District at the time business entity submits the signed contract. The Texas Ethics Commission has adopted rules requiring the business entity to file Form 1295 electronically with the Texas Ethics Commission.

Changes to the law requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after **January 1, 2018**. The changes exempt certain businesses from filing a Form 1295 for certain types of contracts and replace the need for a completed Form 1295 to be notarized. Instead, the person filing a 1295 needs to complete an “unsworn declaration.”

FEDERAL COMPLIANCE GUIDELINES FOR THE USE OF FEDERAL FUNDS

Angleton ISD has elected to solicit pricing from Qualifying Vendors, Awarded Proposals Vendors and/or Cooperative Vendors as set forth under the requirements of the Code of Federal Regulations (CFR) Title 2 Grants and Agreements, Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. (2 CFR§200).

Following these federal requirements will allow for federal funds, entrusted to Angleton ISD, to be used to make purchases through the anticipated contract(s). The CFR is the codification of the general and permanent rules published in the Federal Register by the departments and agencies of the Federal Government produced by the Office of the Federal Register (OFR) and the Government Publishing Office. The CFR may change during the term of the contract and the supplier may be required to make adjustments as necessary.

It is necessary for the supplier to certify and agree that they, as a company, understand and comply with all applicable areas identified below and included with this attachment. Some of the areas may not be applicable to this solicitation and it is the supplier's sole responsibility to identify which areas are appropriate for the solicitation. Failure to affirm and agree to these requirements may, at Angleton ISD's discretion, disqualify the associated response to this solicitation or limit the use of the awarded contract based on the funding source.

Angleton ISD reserves the right, at any time within the contract term, to require an awarded supplier to reaffirm, sign and resubmit proper documentation stating their company is not debarred, or if any other circumstances change related to the original response.

The following terms are applicable to all solicitations:

1. General. Included for all solicitations regardless of type of specialty.

1.1 Debarment and Suspension (executive Orders 12549 and 12689). A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide Excluded Parties List System in the System of Award Management (SAM), in accordance with the OBM guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1986 Comp., p. 189) and 12689 (3 CFR Part 1989 Comp., p. 235), "Debarment and Suspension" The Excluded Parties Listed System in SAM (sam.gov) contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. Prior to award, Angleton ISD will verify that the supplier is not currently listed as debarred by the Federal government. If the supplier is found to be on the Federal debarment list, Angleton ISD, at its sole option, may elect to not award to the supplier. If awarded, and during the contract term, the supplier becomes debarred, the supplier must notify Angleton ISD within five (5) Angleton ISD business days of the debarment. Angleton ISD, at its sole judgement, may elect to cancel the associated contract or limit the contract to non-federal funds. Such judgement will be done in writing within twenty (20) Angleton ISD business days. During this assessment period, no contract orders can be placed by Angleton ISD using federal funds.

1.2 Conflict of Interest. 2 CFR 200.318(c)(1) states that Angleton ISD must maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award and administration of contract. No employee, officer, or agent may participate in the selection, award, and administration of a contract supported by a Federal award if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from the contract awarded to a specific supplier. The officers, employees, and agents of Angleton ISD may neither solicit nor accept gratuities, favors, or anything of monetary value from suppliers or parties to subcontracts. However, Angleton ISD may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of

Angleton ISD. It is the responsibility for the supplier to identify and make Angleton ISD aware of any potential conflicts of interest that exist between their company and Angleton ISD. Failure to do so will cause the associated supplier response to be disqualified from further consideration, or if already awarded, the associated contract will be cancelled based on cause.

1.3 HUB Certification. Pursuant of 2 CFR 200.321. Bidding companies that have been certified by the State of Texas as Historically Underutilized Business (HUB) entities are encouraged to **attach a copy of the HUB Certification** when responding to this proposal invitation. This information will be included in the vendor profiles and may be used for consideration of purchase(s).

1.4 Termination for Cause. All federal contracts, in excess of \$10,000, must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be affected and the basis for settlement. As per Angleton ISD terms and conditions outlined within proposals, and/or purchase order, Angleton ISD does not have a threshold, all contracts for any amount may be terminated for cause.

2. Small Purchases (2 CFR 200.320). Small purchase procedures are those relatively simple and informal procurement methods for securing services, supplies, or other property that do not cost more than the *Simplified Acquisition Threshold (SAT)*.

2.1 If small purchase procedures are used, price and rate quotations must be obtained from an adequate number of qualified sources. Specifically for multiple award catalog-based or non-identifiable pricing based on a percentage off catalog, Angleton ISD may be required to submit a request for quotation from the contracted vendors for the purpose of meeting the competitive bidding requirements of this section.

3. Large Purchases. For individual purchases that exceed the *Simplified Acquisition Threshold*.

3.1 Simplified Acquisition Threshold Contracts for more than the Simplified Acquisition Threshold (SA) currently set at \$250,000 which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulation Council (Councils) as authorized by 41 U.S.C. 1980, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate. In any case, contracts in excess of the state's or state agency threshold must address the foregoing. Any purchase that meets or exceeds the SAT threshold will require additional cost/price analysis by Angleton ISD. The supplier may be required to provide additional documentation to support this requirement based on the federal requirements at the time of the purchase.

3.2 Cost Analysis/Negotiation of Profit (2 CFR 200.323). For contracts over the SAT, Angleton ISD must negotiate profit as a separate element of the price for each contract in which there is no price competition, including solicitations that received only one viable response. In all cases, a cost analysis is to be performed by Angleton ISD. To establish a fair and reasonable profit, consideration must be given to the complexity of the work to be performed, the risk borne by the contractor, the contractor's investment, the amount of subcontracting, the quality of its record of past performance, and industry profit rates in the surrounding geographical area for similar work.

3.3 Supplier Violation or Breach of Contract Terms. For contract awards valued at or greater than the SAT, Angleton ISD must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate. The remedies under the contract are in addition to any other remedies that may be available under law or in equity.

4. CERTIFICATIONS REQUIRED UNDER FEDERAL CONTRACT PROVISIONS (2 CFR 200.326)

4.1 The following pages contain the required Contract Provisions that must be certified by the vendor of use with Federal Contracts. By initialing the following statements, you Certify your Company will hold true to these provisions for the duration of the proposal.

- 4.2 It is the responsibility for the supplier to identify and make Angleton ISD aware of any potential changes that exist between their company and Angleton ISD. Failure to do so will cause the associated supplier response to be disqualified from further consideration, or if already awarded.
